At the Boot Camp two years ago there was a contest held. It was called the Jockey Short Contest. The winner was picked by judges on who looked best in a pair of Jockey shorts. Probably the most successful event at the Boot Camp, it is held there every six months.

At several bars in San Francisco, Southern California and Hawaii, that have permits, there is a contest called the "Jockey Short Dance" contest. At these bars the contestants dance in a pair of Jockey shorts in groups of three or four and are judged by people in the audience. By a process of elimination one person from each group is selected and a final group then dances one more time. Thus, the winner is picked again by the crowd's applause. Most all the clubs give prizes of cash. Anywhere from $25.00 to $300.00 is awarded the winner.

Once thought of as a passing fad, the Jockey Short Dance Contest has survived the normal passing fancy period. Some bars get as many as 30 contestants at one contest. And of course this is, above all, the greatest crowd pleaser. Thanks to the End Up, Nickolodeon & Rendezvous for their cooperation and assistance with the photos and information. The Naked groin also has a contest but we were unable to photograph it because of time.

Emmanuelle is sensual, but she's easy. Emmanuelle is fantasy, but she's fun.

But most important, she leaves you with a singular lack of guilt.

And that's the clue to its overwhelming popularity.
