Emperor Bob Cramer

BOB CRAMER & CABLE CAR COURT

Congratulations to the new Emperor of Orange County, Gary Mother Earth. Also to Keith and Georgia Payne on the Stepping Down. Emperor Bob Cramer and Empress X Doris and members of the Imperial Family flew south to Anaheim for the Orange County Coronation on Saturday, April 13. Besides being a fun social event, Bob and Doris learned of the problems of the gay communities in southern California. Police harassment in Santa Monica and Orange County is being met with protests and marches. Members from each of the eight empires in the Southland recently marched in the rain at Police Headquarters in Santa Monica and have been invited to appear before the City Council to air their grievances. A far cry from just a few years past.

The Imperial Family of San Francisco is planning a benefit for the California Committee for E-Rights in the near future. This non-profit organization, working for the gay community by lobbying for passage of the Willie Brown Consensual Sex bill, AB 489, through the State Senate and on to the Governor for his signature. The Committee is also working on Penal Code revisions aimed at next year. For information and donations contact this very important organization at 1782 Pacific Avenue, S.F., Ca. 94109.

Emperor Bob Cramer & the Cable Car Court present the Great Depression and Dance, Saturday evening, April 26, 8 to midnight at S.F. Center, 836th Street, S.F. — admission is $1.99 advance and $2.49 at the door. Proceeds from the door and food go to the Pride Foundation and bar proceeds to the Great Depression 30's costumes are encouraged as prizes will go to the male, female, couple, and group. Cafeteria-style dinner will include sandwiches, potato salad, apples, coffee, etc. Depression prices will prevail.

FROM THE DRESSING ROOM

By GENE ARCERI

One day I met a very sweet lady in a restaurant and I thought she was very nice. She was wearing a lovely dress and I noticed that her shoes were very pretty. I asked her if she could help me find some shoes like hers and she was very kind and helped me. The following day I saw her again and she was wearing a different dress. I asked her if she had any new shoes and she said yes. I was so happy because she was the only person who had helped me and I was very grateful to her.

The next day I went to see her dress at the store and I was so surprised to see that she was wearing the same dress again. I asked her why she was wearing the same dress and she said that she had been invited to a party and she was wearing the dress for the occasion. I was so happy to see that she was wearing the dress again.

Hello again!

Hope you're ready to join the "side car" once again, because this time we will be headed down to Monterey instead of our usual Baja run. But first of we will cover the city.

In the Sidecar's last column we were going to find out about Willie, his place of business. Almost sounds like a mystery novel.

Well, his name is William D. Kaiser and he is the owner of Ron's Hideaway, located at 1st and Folsom. Willie was the chef of the former world-famous Hotel Plaza and the Mark Hopkins Hotel. In the true tradition of being a master of his trade, he decided to buy a bar, which for our bike clubs is a fun place to hold meetings and parties. He has a dance license, but for the time being only beer and wine, hoping to get his liquor license soon. His food is fantastic and prices unreal, complete dinners go for $1.50 up to $2.50. Ask any of the club members who have been there what he Ron, his bar manager, is all about.

Sunday, April 6th, found the ride up on the way to Monterey from San Francisco. The attraction of the Righteous Ram. There were signs along the road and also a balloon drive, which gave a piece of bubble gum, which blew a few feet at the end of the road event. We were given maps with directions to where we were going through a tunnel of balloons and trying to get the balloons to the basketball hoop. We took off, and the bar was a hot spot, and there were a lot of people there, which gave a real thrill for all. Needing to get to the "side car" gave us a ride anywhere. Off we were to the Monterey area.

We were greeted by good hot coffee and beer. After everyone checked in, we were served lunch, which consisted of a big green salad and Mother Cluck's Special Leg of Lamb. On the tables were red matchbooks with "Monterey Don's, April 6, 1975," which really got going!

We were then treated to a show and the awards. The show was fun and the trophies were really sharp-looking. First, Second, Third and Fourth Place winners were announced. The show was over and we were treated to a free drink back at the "RAM.

All in all it was a fun day in Monterey. By the way, congratulations to Sherry W. from the CF for being the "Bubble Gum" blower of the day, and to all of the winners of the door prizes.

If you ever want to find the Knights of Malta, just check in at the Hombre Owl or Roadrunner. Cheaters can be found at the Roadrunner also. On Sat. and Sun. morning the Side Car found overlays at the House of Harmony. Check your favorite columns for flyers for Dingy Don's special Bike Club Trip on the weekends from 6 to 10 AM.

If the Side Car missed anything on the Monterey run, be sure to pick up your favorite paper, as there were enough of your favorite columnists there to cover it all!

NEWS OF THE SOUTHLAND:

From all reports of the northern clubs, their rides that were down, a good time was had by all at the "Monterey". Great fun.

Sunday night, the clean upside "Banana Rehab 100 Annual Banquet" and a second biker "Win with Welfare". The night was cold, the food was good.

"I'd rather see you here on earth than up in heaven."

Until next time remember only the Sidecar knows.

I've seen so much high energy, and it's a good thing. The dinner that night will do a very special trip only in Levi Ball but I'll give you just a sample. None of them know about it, you usually don't say anything about it so that it won't get spoiled. But to share the fun with you, I've decided to share a bit.
