The Fish Market Party was another success and hundreds of people showed enthusiasm for the cause. This was the second year for the Fish Market Party, and a large crowd turned out to celebrate the event.

The Fish Market Party is sponsored by the Fish Market Party Committee, which is composed of local residents and community leaders. The committee is dedicated to promoting local businesses and supporting the community.

The Fish Market Party was held at the Fish Market, a popular local restaurant. The event featured live music, dancing, and a variety of food and drinks. The atmosphere was festive and lively, with people of all ages enjoying the celebration.

The Fish Market Party is an annual event that is held on the second Saturday of the month. The event attracts hundreds of people each year, and it is considered a highlight of the community calendar.

The Fish Market Party is open to the public, and there is no charge for admission. The event is sponsored by the Fish Market Party Committee, and all proceeds go to support local charitable organizations.

If you plan on attending the Fish Market Party, please be sure to arrive early, as the event is in high demand. The Fish Market Party Committee encourages everyone to come out and enjoy the celebration.

The Dorothy Lamour Look-A-Like at the 527 was a ravishing hit with everyone in the group participating in lush attire via Lamour sarongs, Empress Maxine hostessing the affair in stunning multicolors in blue, Mr. Quantas of the Ramrod in lush tight thick leather with his biceps exposed in tanned ripples, Emperor Cramer handling him in heatful manner, both holding each other in "Never Leave Me" togetherness. Watch out for the "Fox and his secretary or campaign manager is the "Hots" (Oh Anne) — I hear that the Fabulous Flame lost an expansive brooch to a stunning stud at the 527 during his jockey shorty bolero dance and ran screaming, "Clip Job!" — "Clip Job" (oh darling) — Earl (Waiter of the Year) is being selected for a Saulley Award in U A. along with that "La One" — Get those dresses ready, Herman!... That simple wild print sarong that I was wearing for Dorothy was a Herman Creation that arrived via the garage from "Quantas Airlines" — Watch out you beautiful Herman Creations, we now find out that there's a ravishing beauty who works at the 527 by the name of Cher who will give us all competition, including the Fabulous Lady In Red? — Good Luck to Cher on her decision to become another glamorous beauty South of Market.... A wonderful thank you to Earl for the "Princess" Necklace.... Mr. Quantas dances a mad "Fire Down Below" with La Rita at Biunby's. Empress Doris looked sensational in her gold sequined attire above the stunning elephant that decided to shake a bit and throw her off balance onto the floor but with grace got back on to look just as beautiful. The Fabulous Flame and her men in fire-engine red caps looked just tooo fabulous for words. The committee of committees does as she says and that's how it's done. How the hell do you think the "Cobra Woman" did it???

Empress Frida and Emperor Russ rode in a 1935 auto that was just too... beautifully done over... The Black Widows were hysterically in an uproar with such full sadness like screaming desperately for that bottle... Daisy of Biunby's looked so Vivian Leighish like 2 little old ladies of quality said, "That's a matron, Ethel, look dear, " and the other one said, "Yes darlin', but isn't his dress just lovely?" — Loved the actor?? from L. A or is it "Holywood?? that was on the "N Touch float, oh you luscious.... Dear Pat

This will probably sound a little stupid, but it's a big problem to me. Because of the articles in KALENDAR on Body Building, I joined a gym. Every time I go to work out, I get an erection. Just seeing all the hunks and I can't help it. I've tried to look the other way, think about something else, but nothing works. I have to leave, I'm so embarrassed. How can I prevent this?

Dear No Control: I have three suggestions:

1. Masturbation - Just before you go to work out. Double the dose if once isn't enough.
2. Go to Apollo's Temple and ask for Steve Edwards - He's a good guy and knows body building - and get his advice.
3. Try your doctor. Well, let's make that "Ask your doctor!"

Don Miley

---

Dear Pat

I just read your letter about the problem with erecting at the gym. It sounds like a tough situation. Masturbation might be a good option as you mentioned. If possible, you could also try to join a gym that caters to women or solo members to avoid the visual stimulation.

Best of luck,

John Hedges
