**BIO-MICHAEL VINCENT AS "THE FRONT RUNNER."**

The screen star Ian-Michael Vincent plays Jack in the thriller "White Line Fever." The movie is about a man in the trucking industry who must make a decision at the end of the film. "Front Runner" is another film about a man who has to make a difficult choice. The difference between the two films is that "Front Runner" is more about the man and his personal life, while "White Line Fever" is more about the man and his professional life.

The movie does offer a few interesting, "tale-dragging" confrontations between the good guys and the bad guys. A scene by Vincent and by David Hemmings is a highlight of the film.

Throughout the film, Jack's fate is at stake. Vito has no idea what will happen. In the end he

Welcome once again! As the SIDECAR's little shadows said it was truly a fun weekend. Bet anyone that missed it will know to order their tickets early next year!

The SIDECAR hopes that they are all well and safe — having a ball!!

Congratulations are in order also for the KNIGHTS OF MALTA, Reno Chapter for their July 4th Camp-Out. The SIDECAR was unable to make it up, but was told that it went off without a hitch. Check with Jim Smith, the SIDECAR's friend from the SF; the KNIGHTS OF MALTA in the "South of the Slot" column for all of the happenings from Reno.

Disco over-population hits our city. Yes, I've seen everyone know about CABARET now. If you don't, I'll tell you, they're closed! As much as I can gather they will not be re-opened. It seems though, that CABARET now is not that great, because it's too difficult for most D.J.'s. D. J.'s Don and Allen is packing in over 300 people nightly. The hottest new release is BRAZIL, by the Ritchie Family, sure to shoot to the top, agrees Mike Webb of BILLBOARD. The NICKELODEON, featuring D.L. Don and Allen is packing those in over three. If you haven't heard a "Fallout" yet, then ship it in, they'll make a little more room. Another fast mover on the charts this week is "7, 6, 5, 4, 3, 2, 1" over 7 minutes long by the Hot Boys from Germany. This tune but a little too fast for most. A DIFFERENCE, A DAY MAKER by Phillips gets some good response at the MIND SHAFT, tonight, Friday and Saturday.

Every Disco here has reported an increase in already good business. The hottest new release is BRAZIL, by the Ritchie Family. D. J. Green of the MIND SHAFT, tonight, Friday and Saturday.

Dear Ripped: You didn't say which bars - but I can speak for all of them. All of the gay bars - but I can speak for all of them. The Nickelodeon, Bunby's, Endup, and Mind Shaft for sure. These establishments provide a coat check-room. If your coat isn't worth a quarter, don't check it. If you're really uptight over it, it's just like buying insurance, worth a quarter, don't check it. It's just like buying insurance, and am really uptight over it. Dear Pat: What recourse do I have against these gay bars that lets people rip off coats. "Let people steel other people's coats". With large crowds, people are bound to cross up coats. No one is going to give your coat back. The Mind Shaft, the Nickelodeon, Bunby's, Endup, and Mind Shaft for sure. Dear Readers: Sony, but I can't answer all of your questions about CABARET. It is being sold to the highest bidder soon.

In this event will be shared equally by different elements.

Any charity event is worth while, but in this case I am glad to see two of the younger members of our community involve in the activity. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

FIRST HOUSE... Aquarius, Libra and Five of Pentacles, reversed. This house always brings good news. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

SECOND HOUSE... Leo, Sagittarius, Aries and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

THIRD HOUSE... Gemini, Libra and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

FOURTH HOUSE... Cancer, Scorpio and Ten of Pentacles. The people involved will lead to a good cause that will be given as well received.

FIFTH HOUSE... Leo, Sagittarius and Four of Pentacles, reversed. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

SIXTH HOUSE... Gemini, Capricorn, Aries and Five of Pentacles, reversed. The people involved will lead to a good cause that will be given as well received.

SEVENTH HOUSE... Libra, Aquarius and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

EIGHTH HOUSE... Leo, Sagittarius and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

NINTH HOUSE... Sagittarius, Aries and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

TENTH HOUSE... Libra, Sagittarius and Page of Pentacles. The generosity and kindness of the people involved will lead to a good cause that will be given as well received.

There are obstacles and oppositions. This is a moment of decision. But the generosity and kindness of the people involved will lead to a good cause that will be given as well received.

Well, kids, flash to all, Forecast is here to tell you what you must do! Four of Pentacles, reversed would like to very much share your life with the rest of your life and with the fortune deck. It is the time to share your fortune with others. It is the time to share your fortune with others. It is the time to share your fortune with others. It is the time to share your fortune with others. It is the time to share your fortune with others. It is the time to share your fortune with others.

The SIDECAR would like to have you think about this thought once in a while. "Sometimes our club presidents have to do things for their respective clubs that no one really likes to do.
