Gay Is Sick

New York: Our hundred lambdas and gay people danced to bring back a press conference on "The Psychodynamics of Homosexual Homelessness." The press was meeting at the N.Y. Academy of Medicine, sponsored by the Association of Psychiatric Clinicians.

A member of the G.S.A.P, read a statement in the press conference, stressing the psychologic and psychological oppression of gay men and women. The reception was promptly adjourned.

"Underground," a documentary review of interviews with the gay minority, opened June 11 at the 52 Club. Director Fred R. Davis and other documen­tators are members of the Under­ground Community.

NEW GAY GAME ENTERS SCENE

FUN MATES, a new feminine game-producer, today announced the introduction of a card feminine game named GAY STRIP-DOWN.

The game was created to fill a void perceived by Mr. Jackson, who explained that while the straight community has a wide assortment of games from which to choose, there are few homophobia-oriented games available.

The most unique feature of GAY STRIP-DOWN is that it possesses three elements of chance, which many people feel are necessary; and, in the game, the player can choose to opt out. The object of GAY STRIP-DOWN is to earn wealth in the form of simulated money, which also ends up in the hands of the player of the game.

The object of GAY STRIP-DOWN is to earn wealth in the form of simulated money, which also ends up in the hands of the player of the game.

The event will be held at the 257 Club, 527 Bryant, starting at 7 p.m. Proceeds will go to the Gay Political Fund, which is being established in the name of the Gay community and the American Gay delegates to the Democratic National Convention in July.

Political and gay celebrations are now being limited to participate in the festivities. They will be asked to "null" a service to highest ideals. For instance, a foghorn will be asked to offer a tour of Gay Week.

The "White Doggy" part of the fund raiser (as opposed to "White Unmediated") will feature idolizing Mr. Bob Cromer called "objects d'art" with a special feature, a night of music and dance on June 3.

Press to donate income for the cause may bring in the 257 Club the night of June 3.

SAN FRANCISCO BALLET CLOSING PROGRAM

The San Francisco Ballet ended its 50th season with a fifth night of the San Francisco Ballet's Closing Program on April 23 at the Warfield Theatre. The performance was noteworthy for its blend of traditional and contemporary styles, with highlights including the world premiere of "Mobile" by William Forsythe. The evening was capped off with a grand pas de deux by Margo Rey and James Conwell, underlining the company's commitment to both tradition and innovation. The program also included a special Actors Fund Benefit, with a variety of performers contributions to the cause.

This weekend I will be attending the Coronation in San Diego. I hope to return in time to attend the very important auction at the Rendezvous, on Monday May 17th at 7:30 p.m., for the Senior Luncheon Program, Help Line, and Helping Hands Drug Abuse Program.

Due to the unfortunate furlough in the mail delivery of San Francisco's Postal Department, all of the notices to my Cabinet and Court pertaining to the meeting on Tuesday evening did not arrive. There is another meeting scheduled for Tuesday May 26 at 7:30 p.m. I am hoping for a large turnout as there are many important subjects to be discussed, including this year's Coronation plans.

There will be a "Fabulous 50's" Dance to raise money for S.L.R.C. Center. The date will be at the 50's club and a Queen will be selected. There will also be a Faculty Show. Tickets and posters will be out shortly.

I will be having a float in the Parade and three booths at Circus-Circus this year. I know that this year's Parade will be one to remember.

This year, for the first time, the Emperor and the Empress will each give trophies and $100 to the best entry of their choice. Good luck to everyone!

On June 2nd I have reserved the entire Spreckles Theatre for a dancing of "Viva la Jerez," a South American event for the Golden Gate Gay Liberation League. Tickets will be on sale shortly.

To raise money for S.L.R.C., I am having a drawing on Coronation Night for a round-trip ticket for two to Europe, or $1000 cash. Tickets for this will be on sale very soon.

I am very sorry to hear of Stella Speer's motorcycle accident, and hope her injuries are not serious, and that she is back strong and quickly.

Welcome home to the newlyweds Dick and Bofie of Folks of Nino. Was a very short honeymoon!

I want to thank everyone in San Jose on behalf of myself, Jim and David, for a very enjoyable stay. A very special thanks to Jerry, Emperor of San Jose, for his great hospitality. Jerry, I gave permission to give you the crown you so much wanted!

Keep watching KALENDAR for future events and information pertaining to current events.

DARLINGS!

April 15th was the first anniversary of the Atlantis House with the helping of 101 parolees who managed to regain themselves into the outside world (which is difficult as it is), only one has returned to the "unwanted" house, that's quite a record, a very big hand to the Atlantis House, Mr. Price and associates.

I heard that Mary Castle with Georgie Porgie are now at work in unusual hours at the Castro Cafe slinging Castro hamburgers. Don't you get you can meet the one and only Randy Johnson at the End-Up where he does his thing via jockey (papar panties, shorts on some very certain funny Sundays. By the way, speaking of Burzby's, I can not forget Tom, who has to be one of the hottest gays on the floor of any organisation, a very fine man with qualifications of not only manhood, softness, kindness, thoughtfulness, but someone whom you would like to get to know in a wonderful sincere manner, just ask for Tom and when you see him, you'll understand my motives.

What's with the Club and Misty starts every first and third Friday, 8 pm at the wonderful 527 Club. Check into this... I heard that Nip the Horn (located on 177 Mission)... well-known Ex-porn star with a well-known Ex-porn Ex-porn star with a well-known Ex-porn Ex-porn star with a well-known Ex-porn star like to eat (literally). He has a little boy in the days of old, and they're both in even more powerful then my upstairs on the corner over of my life... Why did Lisa Hopkins of beautiful downtown San Francisco accept the Golden Awards at Preparation if she was not happy about being at the Castro Cafe? (love the Castro Cafe). Who told Mr. Deferr? "I--it's not like the pig I am..."

I would vote for a certain well-maintained "Tubs" or baths if she informed in a not so nice manner Sylvia of the White Elephant fame to get the hell out as she or he was being disorderly or misconducting herself in a not so ladylike fashion. Now you have to have the 400 elite manners in order to act and get it on like a dog.

It's wonderful if our Emperor Mr. Marcus is and that Pat Simpson of the infamous "The Stud" are now seeing eye to eye, among other things, well, when you have a healthy stud in tow, it does bring out the inner youngest self as Mr. Marcus discussed in intimate details, my dearest darlings--

Last Weekend's Scores:

It is becoming an important activity to hundreds of fans each weekend.

This past weekend was a thrilling one, but Reaction should fill his team together shortly.

The mighty Pendulum was surprised together, but give both teams credit.

In Div. B, the Ambush, Sutters Mill and the Hut are in a battle for first place supremacy, we have three games to see. The battle between Toad Hall and the Pendulum at Park Bowl, 3pm and between Hombre and Silver Sage at Sacramento by the Hawaiian Hut of Sacramento.

Following these festivities the MINT'S 5th Annual Great Race, Thousands take part in this race, Thousands take part in this race.

One more... The N'TOUCH (Best Disco Bar of '75) has a new spinner - Dusty Street; Dusty was formerly a star on KSAN radio here. I had the pleasure of meeting there, is back better than ever; getting strong responses in the major markets.

One of the most lavish buffets imaginable, A tip of the hat to the bartender's name, a HUNKY cheerleaders, don't count them out.

This weekend there are two MUST SEE GAMES! The battle between Hombre and Pendulum at Fair Hall, No. 1 and in one of the city's rock club scenes. The score was very close, and after many rolls of an easy dice, it was 15-14 to Hombre. In the second game, the Hombre went on to make it 1-0 over the Pendulum.

The Silver Slugs enjoyed Moby's Lab at the Grand Opening of the Cafe Mutt's last week after their game. The teams was treated to a special performance by the Cafe Mutt's own rock band. Moby's Lab is a 5-piece band with a great following. A tip of the hat to the Cafe Mutt's good luck band, following these festivities the Hombre Band, consisting of Moby, Joe Lee and Danny, headed to the Cafe Mutt's in Japanese attire to enjoy the band's second annual Attack Shrimp contest.

Congratulations to Joe Ritchie on his 30th Birthday this week also the High School League at Park Bowl.

The Sparky Man, the Exposé's Ex Posé was at the Pendulum last week to promote their LP with a 12" single on the End-Up to be judges in that contest each year, many of which are our own people. The race starts at 10am at Front and Spear and ends at the Great Highway - Golden Gate Park.

At some time I heard that B.T. Express's new LP will be out this week with a new single.

THE FRISCO CUB, a hot new Disco hit, opened last night to a great crowd. Disco dancing with "Bulldog" as the 2nd choice and a great sound system designed by Dennis Kuts.

The BROADWAY on Market saw its 10th year now at 441-9435. It has gone through changes in the music department, Richard Deems, The Rolling Stones have made it on their 2nd LP called "You Make Me Feel Like a Man"! The Mint's new baby, "Pretty Maid" by the Pretty Maid is also getting strong responses in the major markets.

"Happy People Go. " by The Tramps, on a 12" single on the Salsoul label and is doing fantastic, Not for the shy or timid, this is an erotic, erectifying, X-rated; for adults only. C reating there, is back better than ever; getting strong responses in the major markets.

ERIC MAINLAND has turned me on to a HOT DISCO 45 has big sexy game board, far-out, produced! Has big sexy game board, far-out.
