This year, I could not be moved or interested in theatre. There was no reason to return. It's like reading a book that once you have seen it, there is no reason to reread it. It's like reading a dialogue aloud. Once the words are spoken, what's the point of rereading it?

One of the highlights of the evening was the meeting in the room at Two Diligence, where the New Bell Saloon had an auction of its contents to raise funds for the construction of the new post office. The auction was attended by a group of people who had been associated with the New Bell Saloon, including the owner, Mr. Newell, and some of the regular patrons.

The auction started with the sale of the bar, which was bought by a local businessman for a price of $2,000. The bar was then followed by the sale of various other items, including furniture, tools, and even the building itself. The proceeds from the auction were split between the New Bell Saloon and the new post office.

The auction was followed by a dance, during which the musicians played a variety of songs, including "The Country Dance," "The Irish Dance," and "The Irish Waltz." The dance lasted until late in the evening, and many people remained to enjoy the music and the company.

The New Bell Saloon, which had been in operation for over 50 years, was closed on October 15, 1983, due to the construction of the new post office. The building was then sold to a local developer who planned to convert it into a restaurant and bar.

of the Side Car's friends like becoming sardines once a year, but it's well worth it. The Side Car will be looking for you under the gigantic G.D.T. hot dog sign. See you all there.

To the fellows from "The J.A.T.M.C.," I'm sorry I didn't put your name in for the club that manned the bar by the kitchen and beer bar at Mindies, y'know. It was a super job.

Of course, I'll bet you all did a beautiful job on helping lay out the obstacles course. The Side Car wants to thank you all for your contribution.

Despite the fact that the Side Car had to walk up the hill in a hurry, it was worth it. For its First Place Ribbons, the Side Car is looking forward to spending Xmas with you.

On Nov. 12th, Bill Taylor, who just had a great time at the Fall Fair Festival, will be having a "Fall Fair Festival" party at the Phoenix. This will start at 9:00 p.m. Remember the 20th is the big night for the Club's 21st Birthday. The Side Car is riding with "The Eagle" Bill Taylor for our next Grand Duke. True he may have money, but so did our present Grand Duke. Bill wants to work with us, not for us with in the gay community. He welcomes people from all walks of life to work right along with us.

Don't forget Sunday the 14th is the BIG C.M.C. "Coney and Big Foot" control event. This event is going to be to the max.

DO IT NOW, BILL TAYLOR, so that your C.M.C. will be the biggest event of the year.

Well done for this year, have a super Thanksgiving day.

Good night to F.L., wherever you are. Remember if I would rather see you down here than up there.

Peace, Deke

full training for that career FUNNY office in the future. But the center of the show is the recent star of the New York, Grand Ol' Opry and Hollywood caravan, BILLY JOEL, who is a true showman and looks to be an even greater star in the future. He has a vast variety of talent, from singing and dancing to playing the piano and guitar, and he seems to be able to do it all. The show is a great success and the audience is always enthusiastic. The show is set to tour the country and is sure to be a huge hit. The cast is comprised of some of the best young talent in the business, and the show is sure to be a success.
