Anti-Gay (Again?)

HARRISBURG, Pa. — Five Pennsylvania state senators have introduced the first anti-Gay bill of the session. It is similar to one that was defeated last year only to be vetoed by Governor Milton Shapp.

The bill is aimed at those who advocate the rights of homosexuals and who encourage education to help understand the problems of homosexuals. It would declare any material or publication that advocates gay rights a form of pornography and could be used as evidence in a criminal case.

McCOY, N.C. — Two dozen students at David Lipscomb College have been asked to leave because they advocate for gay rights, according to Off-campus News, the student newspaper. The two men had been asked to leave by local law enforcement agencies.

DENO'S SIDECAR

HELLO OUT THERE!

Welcome to all of the Sidcar's friends that have traveled along with us through- out the months of 1976. Good job! Happy new year and to all of those that are joining us for the first time... enjoy. The Best Sky at the YMCA Bar was held.

Thanks kiddo pulling tonight from 8:00 PM to 1:00 AM. It's an old-fashioned, small-time, all-nighter kind of party with favorite easy chair and follow the program through "The Bakery Country Motorcycle Awards Weekend."

And the Sidcar's real rockin' on. They're moving into the Federal Building at 10:00 PM and will be playing until 2:00 AM. The music is great and the atmosphere is electric. It's a great party for everyone. The food is fantastic and the drinks are free. It's a must-see event. You won't want to miss it.

The film just exploded with the exciting rock music of the Constantines. This was done down by the Airport 77. It's a real rockin' party for everyone. The music is great and the atmosphere is electric. It's a must-see event. You won't want to miss it.

City Hall
San Francisco, California 94102

Dear Mr. Mayor:

It has come to our attention that a Gay Community Center has been opened at 120 Grove Street on property occupied
by the Redevelopment Agency.

As we established a building lease for the purpose of a community building
many years ago, we are highly concerned that the legal status and
usage of the building is on behalf of the Redevelopment
Agency and to whom. The longevity of the lease and guarantees for
such area and zoning designation for our par-
