DARLING!

THIS WAY A MIDWAY.

A fascinating and instructive view of a femaleness called "Jenny Andrews," as she doles out her sexual knowledge, is the highlight of this Midway program called "Jenny's Follies." Based on the wild and unruly Jenny Andrews of yesteryear, this updated version features all the sleaze and sleazy characters who made Jenny famous. The program is set in a circular bar. There iai't anybody but us here. Jenny is the Queen of Midway and all who obey, and to the hundreds of us who listen to her, she is the most beautiful woman in the world.

But Jenny is a bit of a mystery. She is the most beautiful woman in the world, but she is also a common prostitute. She is a common prostitute, but she is also the most beautiful woman in the world. She is a common prostitute, the most beautiful woman in the world, and she is the most beautiful woman in the world.
